Terms and Conditions:

Please ensure all signing details are included on this form. Frameworth will not be held responsible for poor autographs/fading/smudging resulting from items which are provided made of low-quality materials. Frameworth will take all necessary precautions to ensure customers' products are handled with care. However, over the course of a signing there does exist the possibility that items may be slightly worn. This includes small creases, fingerprints, wrinkled edges, bending in the mail, and any other wear that can be associated with transport or a private signing. Frameworth will not be responsible for compensation requests in these instances. In the event of a lost or damaged item Frameworth will compensate the customer at our discretion up to but not in excess of \$500. In some instances, rather than monetary compensation an item deemed to be of equal value may be offered. All items should be insured by the customer independently at their discretion as Frameworth will not be held responsible for compensating for lost or damaged orders of more than \$500. Please remember that each autograph is one of a kind as it is hand signed. Once the signing occurs and the athlete has signed the customer's item(s), a Frameworth hologram will be affixed to the item and a Frameworth certificate of authenticity will be issued to accompany the product. While Frameworth will make every effort to have the customer's items signed using the requested pen/marker, in the requested area, in the event that the item is signed in an alternate location, or with a different signing utensil, the customer will still be responsible for paying the signing fees, and Frameworth will not be able to issue compensation in any form. In any event, should the customer refuse to pay for the signature, the order will be cancelled, and the item will remain in Frameworth's possession. Athletes/Signing Guests reserve the right to refuse to sign any item at their discretion. In this event, the signature cost will be refunded, and customers will be responsible for arranging pickup or paying for a return shipment of the item(s). Items must be picked up, or shipment must be arranged within 15 business days of a signing. If a customer does not arrange to have the item recovered after this time, the item will be deemed forfeit and will remain in Frameworth's possession. Frameworth cannot be held responsible for the well-being or tracking of any items which are not recovered by the customer within 15 business days. **Freight fees associated with return shipments will automatically be added to the customer's invoice and charged accordingly. US customers are responsible for all duties, taxes and brokerage fees.** Item types and pricing structures will vary depending on the athlete. All prices and item types are subject to change without notice. A 50% non-refundable deposit is required up front on all orders. The deposit must be made before the order deadline. Orders must be received by the date listed in the event details. Items received after the signing will be returned at the customer's expense. Payment must be received by the cut-off date or the order may be cancelled. If a signing is postponed, items and orders will be held until we are able to reschedule or are contacted by the customer to send items back. In the case of return shipments where the signing was postponed or did not take place, customers will be responsible to pay the cost of return shipping. Frameworth will not be held responsible for replacing or returning correlating items sent with the customer's desired signing item(s) such as certificates of authenticity, pens, etc.

Canadian Customers: All prices are subject to applicable taxes.

US Customers: There is a fee to clear packages, as well as duty on any item made outside North America. The customer is fully responsible for any and all fees.
